**Customer Approved Art Advisories**
**• Imprint Distortion**

This product is pre-stretched before applying the heat transfer to help minimize logo distortion. Therefore, when it is not being worn, the imprint may appear slightly distorted (squished).

**• Cannot Print Neon Colors**

We are unable to print neon colors, however, we can print in the closest Pantone color we can find to simulate the neon color. Please note, the Pantone color will not have a fluorescent tint. By approving this advisory, you are acknowledging that we cannot print neon colors, and you are waiving your right to a refund/return if you are unsatisfied with the closest Pantone value we can find to simulate the neon color.

**• Full Color Process**

The imprint color you originally selected is not recommended as it may not show up well on the product color chosen for this item. Therefore, we have changed the imprint to a color that is recommended for optimal visibility. By approving this proof and advisory, you are agreeing to this color change.

**• Full Color Process**

This item will be printed using a full color process imprint, also known as CMYK printing. Full color process uses four inks that reproduce a wide range of colors at the cost of only four colors. If you have specific color guidelines, please provide them as a CMYK breakdown (ex: C10 M50 Y40 K15) or provide a Pantone value. We cannot guarantee an exact Pantone match when printing using a full color process.
