	<ul style="list-style-type: none">• A - Lost Detail and Small Text Smaller images that are high in detail will produce "fill". Fill occurs when small lines within the artwork bleed together to produce a thicker line. Additionally, small type within this artwork may not be legible.• A - Provided Suggested Layout NOTE: Original artwork option 2 is not recommended. Small detail and/or text will not imprint clearly at the reduced size. On the proof you have received, we have offered an alternative imprint option to ensure the quality of your final product.
